

## **DISCLOSURE ANNOUNCEMENT**

### **UPDATED 4/30/09**

---

The San Antonio Orthopaedic Group (“TSAOG”) has been providing high quality orthopaedic, medical and surgical services to San Antonio and other Texas communities for over 50 years. Our physicians and surgeons appreciate your loyalty and business, and realize that you have choices when it comes to maintaining your healthcare needs. The physicians at TSAOG have various affiliations with and ownership interests in other healthcare providers in an effort to offer you more choices.

As always, you have the right to choose any provider at any facility of your choice, and are not limited to the choices listed below. Further, TSAOG takes your choice very seriously, and would like to assure you that all patients of TSAOG are treated equally, regardless of what provider they may choose. We appreciate your business, and are happy to answer any questions you may have.

---

The physicians at TSAOG are proud to disclose ownership interests in the following healthcare entities:

- \* **Orthopaedic Surgery Center of San Antonio**
  - \* **TSAOG Physical Therapy**
  - \* **TSAOG X-Ray & Imaging Centers**
  - \* **TSAOG Industrial Rehabilitation Programs**
  - \* **TSAOG Durable Medical Equipment & Casting Services**
-
